Toddler/Preschool Parent Guidelines

Welcome! Our goal for this ministry is to provide a safe place for parents and families to bring their Toddler/Preschool aged children, allowing them the distraction free time to be in community, worship and engage in God's word. We have a few guidelines to help everyone along, as this is a new program. We appreciate your feedback and any suggestions you may have to make this ministry a success.

- 1) The room designated for Toddler/Preschool Children is located just to the right inside the entrance to the Middle School Commons. A volunteer will be ready to receive children at 10:00am.
- 2) Please make sure your child or children have gone to the restroom, have a dry diaper and have been fed before leaving them with our volunteer. We have limited recourses and this will make it easier for our Volunteers.
- 3) We will NOT provide snacks or drinks during this time due to possible dietary restrictions and allergies. Your may leave a cup or bottle of their own to drink.
- 4) There will be an announcement to remind parents to retrieve children prior to the last song. Please do so at that time unless you are on the worship team or volunteering with the older kids and are unable to.

Thank you for coming to CTK!
